Lesson 2: What color is that?

1 Activity

Read the following passage carefully.

1. Black is the color of authority and power. It is popular in fashion because it makes people appear thinner. It is also stylish and timeless. This color also implies submission. Priests wear it to signify submission to God. Some fashion experts say a woman wearing this color implies submission to men.

2. Brides wear white to symbolize innocence and purity. It reflects light and is considered a summer color. This color is popular in decorating and in fashion because it is light, neutral, and goes with everything. However, this color shows dirt and is therefore more difficult to keep clean than other colors. Doctors and nurses wear it to imply sterility.

3. Red is the most emotionally intense color, some say it stimulates a faster heartbeat and breathing. It is the color of love. Since it is an extreme color, it might not help people in negotiations or confrontations. Cars with this color are popular targets for thieves. In decorating, this color is usually used as an accent. Decorators say that furniture in this color should be perfect since it will attract attention.

4. Blue is the color of the sky and the ocean, this color is one of the most popular colors. It causes the opposite reaction as red. It is a peaceful, tranquil color that causes the body to produce calming chemicals, so it is often used in bedrooms. This color can also be cold and depressing. Fashion consultants recommend wearing this color to job interviews because it symbolizes loyalty.

5. Green is currently the most popular decorating color, it symbolizes nature. It is the easiest color on the eye and can improve vision. It is a calming, refreshing color. People waiting to appear on TV sit in “rooms with this color” to relax. Hospitals often use this color because it relaxes patients.

6. Brown is solid and reliable, this is the color of earth and is abundant in nature. A light variation of this color implies genuineness, while a dark one is similar to wood or leather. This color can also be sad and wistful.
